# PIPE CLEANING

## AUTOBOX® ABX-PRO

The AutoBox ABX-PRO is a hose feed tractor engineered with safety, portability and quick set-up in mind. This versatile device is designed with multiple mounting options and accessories to adapt it for a wide variety of pipe, drain and tube cleaning applications.

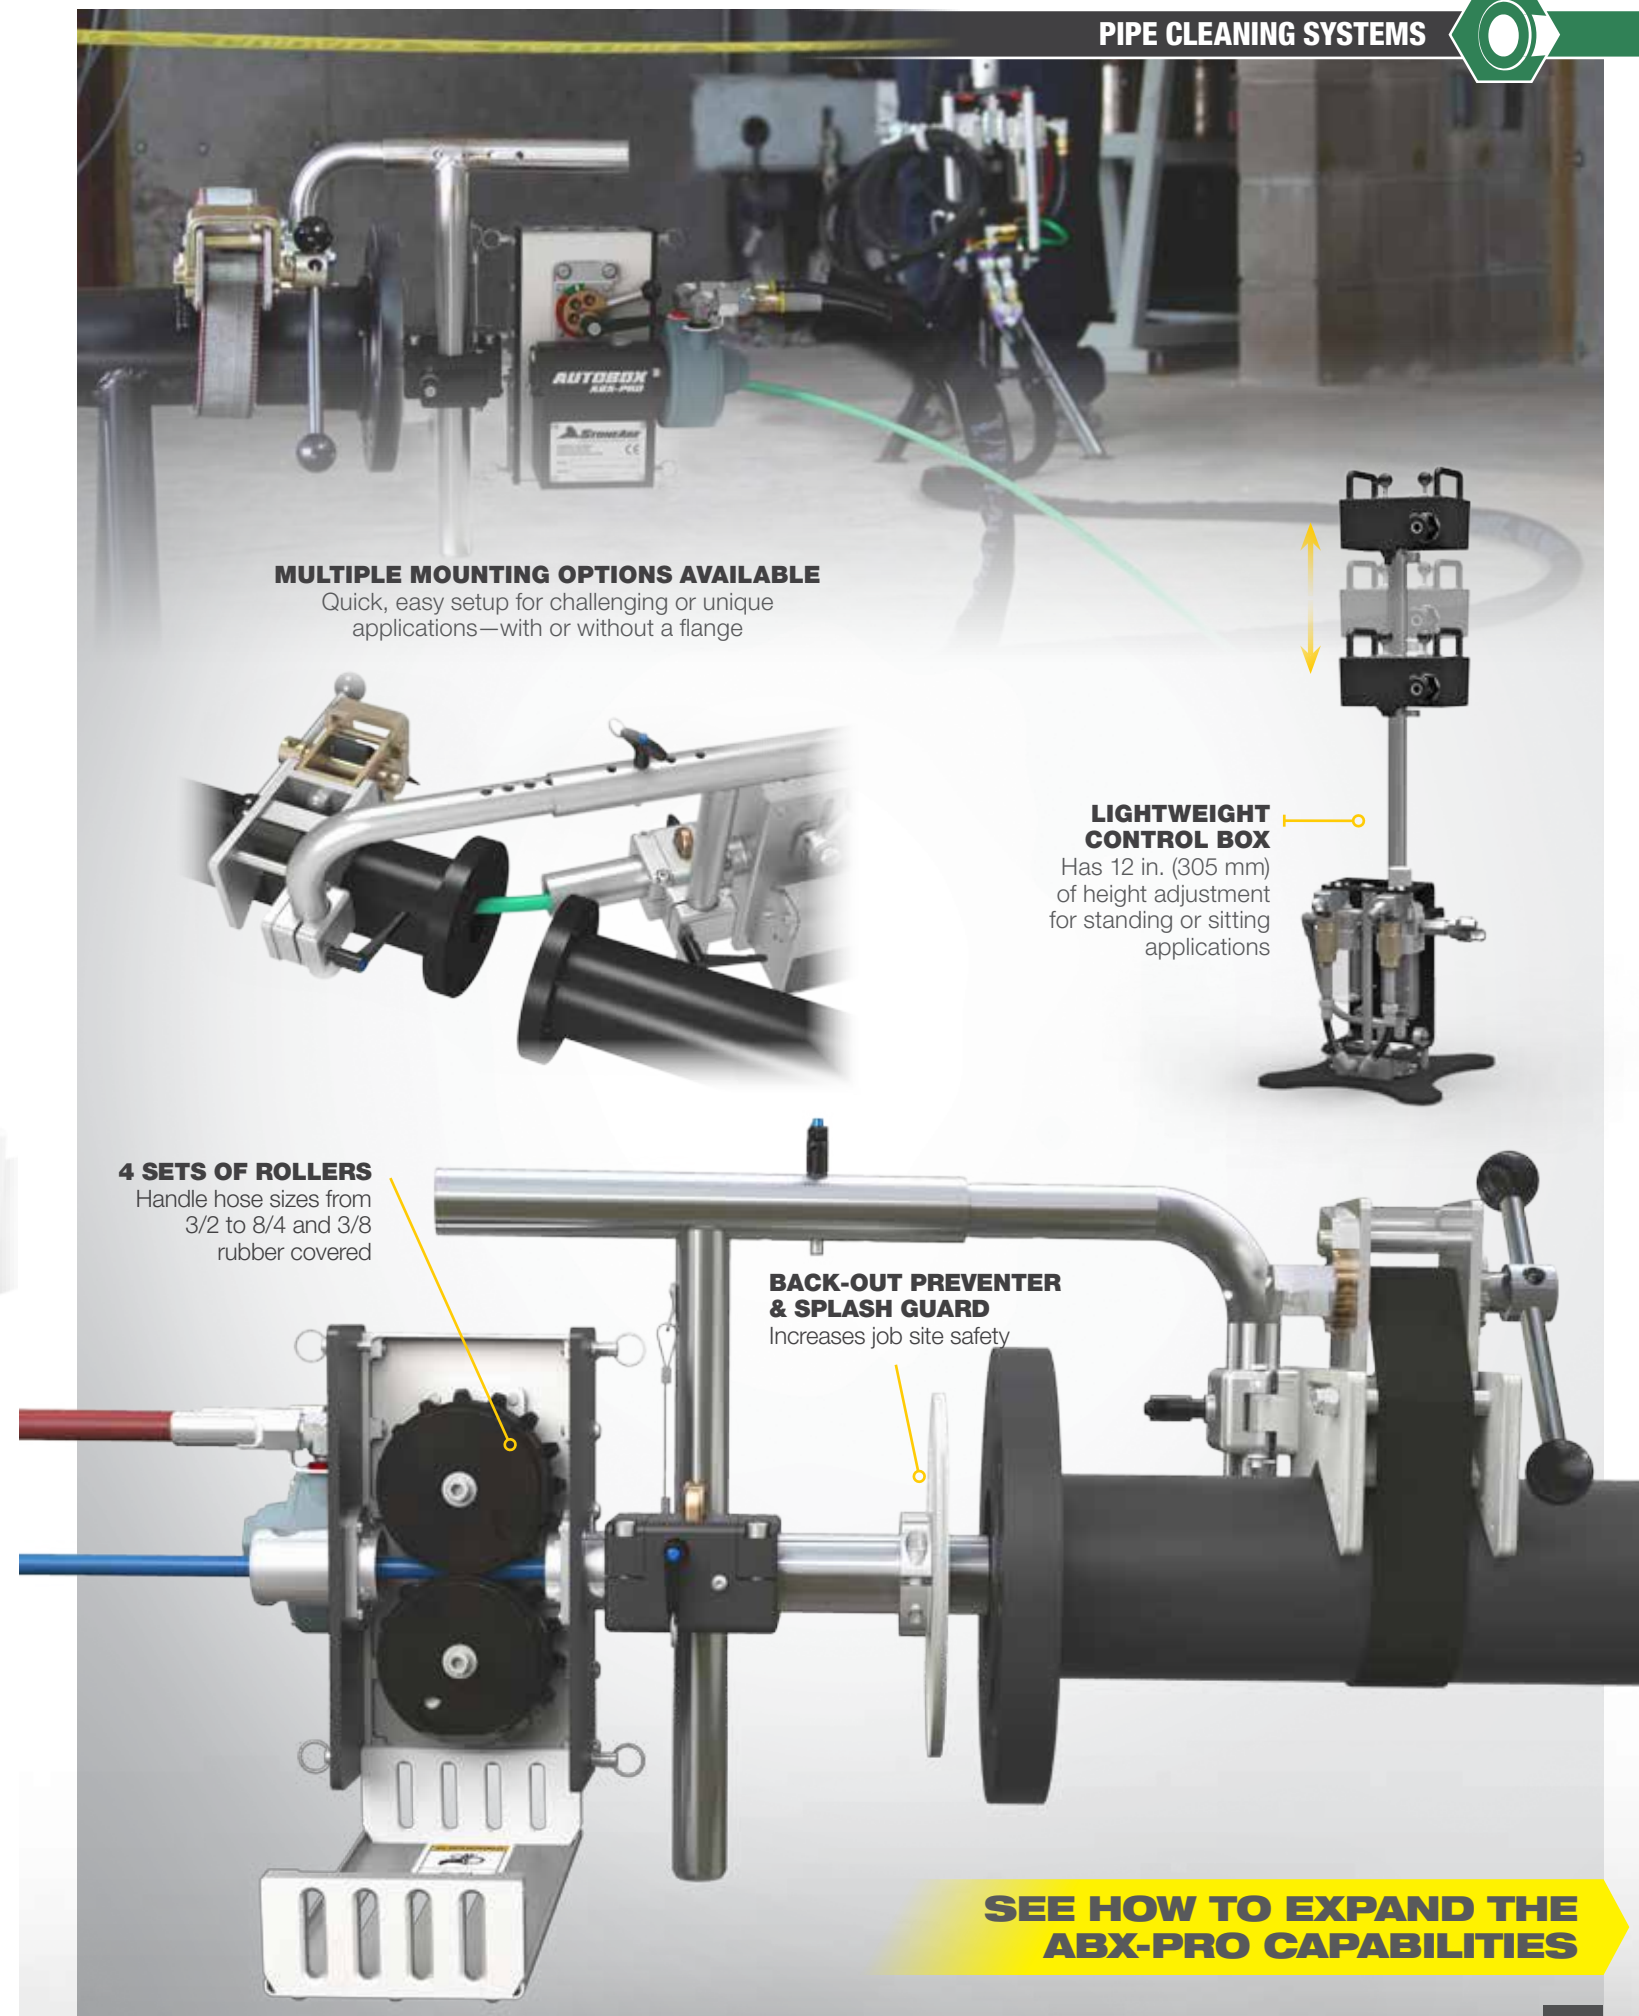

The ABX-PRO is the perfect tool for limited access applications and includes a lightweight control box for increased safety and mobility.

### FEATURES:

- Ultra portable system design
- Interchangeable rollers to accommodate multiple hose sizes
- Independently adjustable forward and reverse feed rate to customize dwell time
- Ergonomic control box
- Multiple mounting kits available for tube, pipe, and drain cleaning
- Add hose rotation with NAV-170-PKG accessory for cleaning pipes with multiple bends (page 39)
- CE Certified

Tool Model	Hose Feed Rate	Min. Feed Rate	Poly Hoses	Weight (Tractor Only)
